Re: School Sports Competitions

On January 25, 2021 the Regional Stay at Home Order ended which allowed competitions for some sports to resume. Be advised this may change at any time depending COVID-19 transmission and ICU availability projections in California.

Tulare County remains in the purple tier and will follow all applicable CDPH guidance regarding youth sports:

- Only youth sports classified as low-contact may resume competitions
- Out-of-state tournaments are not permitted
- Inter-team competitions may only be from the same county or immediately bordering counties (the sport must be permitted in both counties)
- Competitions must be between only two teams; multi-team competitions or tournaments are not authorized at this time

**CDPH Guidance:**

CDPH Outdoor and Indoor Youth and Recreational Adult Sports – December 14, 2020
